7. SUMMARY: The following related to S/As West and Lanyon, Region II by Capt Dowdy, Dallas Police. SUBJECT's wife has signed a statement stating that SUBJECT owned the rifle which is believed to be the weapon that fired the shot that killed President Kennedy and wounded Gov Connally. (this info has not been released to the public) The rifle was manufactured in Italy in 1940 (6.5mm) The police have interviewed a witness who has stated that a man fitting SUBJECT's description in company of another man were observed by this witness on 20 Nov 63 in the immediate vicinity of the place where President Kennedy was killed. These man were observed sighting in a rifle at two silhouette targets. When the police arrived on the scene they realized they were in the direct line of sight so attempted to approach the men by circling around to their rear. When the two officers arrived at the spot where the men were last observed the men had disappeared. The witness further stated that he saw an old model car parked in the vicinity of where the two men were observed with the rifle. The description of the car fits the description of the car that SUBJECT was driving. Witness believes there was a man sitting in the car. (this info has not been released to the public) The slugs that killed President Kennedy and wounded Gov Connally have not been recovered.
